Message from the Chair

Welcome to the Department of Obstetrics and Gynecology at Vanderbilt University Medical Center. In order to address the pressing needs of women in today's world, our department is dedicated to excellence in clinical and population women's health care, to training the next generation of women's health care providers, and to answering important clinical and biologic questions in women's health.

Our faculty consists of more than 170 physicians, midwives and nurse practitioners housed in the clinical divisions of General Obstetrics and Gynecology, Maternal-Fetal Medicine (MFM), Minimally Invasive Gynecologic Surgery (MIGS), Gynecologic Oncology, Female Pelvic Medicine and Reconstructive Surgery (FPMRS) and Reproductive Endocrinology and Infertility.
